

Phuong Huynh
Purchasing & Co-ordinating Manager

Graduating from Ho Chi Minh City University of Foreign Language and Information Technology (HUFLIT), specialized in English language in 1999, Phuong has directed her passions into Interior Design and Decoration from the early days of her career and became our Purchasing & Coordinating Manager soon after she joined our company in 2003.

With a strong foundation of English language, combining with a great passion for Interior Design industry, plus a charming way of communications, for over ten years on the job, Phuong has accumulated an unlimited database with solid understanding of materials and finishes particularly for this ever changing Interior Design industry. Furthermore, she has built up a massive networking with all suppliers and sub-contractors within the industry, not only in the country but also in the region and worldwide.

Being a Purchasing & Coordinating Manager, Phuong is our company's human library, the person in charge of an active team, who plays an important role in supporting our construction department to deliver the materials - that are exactly what our Clients expected - to site, on time and with competitive prices. These support and coordination has been contributing with large portions to many successes to projects and gaining many satisfactions from our Clients and Consultants.
