

Ha Pham
Finance & Accounting Director

With over 20 years of experience in managing finance and accounting, Ha Pham is the Finance & Accounting Director at Prime Construction Company. Reporting directly to the Managing Director and the Board of Directors, Ha Pham oversees all financial aspects of the business including:

- Planning overall forecasts, budgets and expenses
- Organizing to improve accounting systems of evaluation and measurement for internal reports as well as implementing tax report and financial policies externally
- Coordinating between departments and project teams for analysis of margins, variances and costs
- Controlling budgets and expenses to make sure that they are in line with the set targets

Ha Pham holds a Bachelor degree in Managing Finance from University of Financial and Accounting and a second Bachelor degree from University of Social Sciences and Humanities. She also completed a special course of Chief Financial Officer from PACE Institute of Management and a "The Bullet Proof Manager" Training Series from CRESTCOM Trainer to the World.
