

Liên Nguyễn
Managing Director

As a qualified Architect graduated from Ho Chi Minh City University of Architecture in 1989, Liên Nguyễn holds a Bachelor degree of Business Administration from Ho Chi Minh City Open University and is the Deputy Managing Director of the company. He also completed a special course of "Bullet-Proof Manager" training series from Crescom in 2009.

Having practiced Architectural designs since the early years of his career, Liên has specialized and developed his passions for interior fit-out for the past 20 years. For Liên, interior fit-out work is a constant challenge since every designer with their unique background has their own visions and distinguished creativities based on abundant choices of materials that require the contractors to follow. With this passion in the interior fit-out for the past 20 years, Liên has always accomplished to come up with ideas and solutions to transform these creativities into realities in the Vietnamese market, using his professional knowledge as well as the valuable experiences that he has gained from the industry.

Liên has been with Prime from the very early days. With his irreplaceable knowledge and experience in this forever innovative industry of interior design and fit-out, Liên is one of the key persons in our company behind the success of our many projects.
